Message from Our PCCC President

As I am writing this greeting I cannot believe that February is almost gone. I'm looking forward to March and hopefully we'll have better weather and more get togethers at shows and cruises. February was slow but we had a great turnout at Dorton Arena once again for Marshall Wheelers's display. There were 37 club cars in attendance 34 inside and 3 outside even in the rain. Thank you to all that attended, that is what is so great about our club participation. We signed 2 new members at the show also.

A couple of special events coming up for the club in the next couple of months— In April brings our 5th year hosting the Good Guys Nationals, again great club participation, and in May is of course our big show. The flyers are printed and David Matthews and I have plenty to distribute.

Dave Smith

The March 2019 Business Meeting Is Scheduled on ***Monday March 25, 2019***
Advance Auto Store Support Center-University Building
4709 Hargrove Rd, Raleigh, NC 27616

A Special Message

We would like to express our sincere appreciation to all the members of the Piedmont Classic Chevy Club that attended the memorial service for our son Mark Mangrum.

All the meaningful cards of sympathy, soft spoken words, preparation of food that was brought to our home, and telephone calls will be gratefully remembered.

We will continue to follow our son's way of life with happiness, kindness and a gentle spirit.

Dan and Nan Mangrum

Who is This?

***Guess who this might be. The next edition will have the answer along with something interesting about this PCCC Member.
Good luck!!***

Georgia Moonshine Cruise—By Dave Peedin

In 2017, we took a very cool tour to Hiawassee, Georgia for the Georgia Moonshine Cruise.

Please check this event out on the their website; www.georgiamoonshinecruise.com

We had 12 cars (I believe) and around 20 people. I am proposing a rerun of this awesome event. This would be a five day trip.

We would leave from BoJangles in Apex on Wednesday 07/10/2019 and cruise U.S. 64 West to I-85 South – through Greenville, SC and on up through Clemson, SC and arrive in Hiawassee later Wednesday afternoon.

Note: In 2017, we all stopped in Greenville at Quest Brewery for an awesome lunch and tour of the brewery. Our club member Don Watts and his son (owner of the brewery) were our gracious hosts. That is certainly not expected this year so we may have lunch somewhere in the area. All those details will be worked out later.

WHAT IS IMPORTANT RIGHT NOW IS REGISTRATION AND ACCOMMODATIONS FOR THIS EVENT!!!

IF YOU WOULD LIKE TO JOIN US, PLEASE GO TO THE ABOVE WEBSITE AND REGISTER YOUR VEHICLE (662-587-9572) THEN CLICK ON THE LODGING TAB ON THE MAIN PAGE. The Lodge Number is 1-800-613-4349 (I spoke with Roger)

On our previous trip, most of us stayed at the LAKE CHATUGE LODGE.
(which is within walking distance to the event venue).

There will be a very cool 60 or so mile cruise on Thursday – details on the stops are on the website. Friday and Saturday will be the show days. We will check out on Sunday morning and come home via a mountain route back into Waynesville and then I-40 East. As with 2017 trip, we will stop in Morganton for a fantastic buffet lunch and from there its back to Raleigh or wherever home is.

IF YOU CAN JOIN US, PLEASE REGISTER NOW!!!

Register your car or truck – 1-662-587-9572 – Early registration is \$42.99 and includes your car for 2 show days and two entry tickets.

Book your accommodations – 1-800-613-4349 to reserve your room at the lodge.

Plenty of great restaurants in the area – and be sure to check out the event details !!!

More details on the trip down and back coming as they unfold.

PLEASE LET ME KNOW AS SOON AS POSSIBLE IF YOU WILL BE JOINING US.

So far, we have Ted and Carol Keith, Chris and me, Larry and Jaquie Lewis, there friend and new club member Kitty and her guest.

Make those plans and join us!!

Dave Peedin—PCCC Tour/Cruise Director

THE PLYMOUTH ROADRUNNER

The Road Runner was built by Plymouth between 1968 and 1980. Plymouth developed the Road Runner to market a lower priced, basic trim model to its upscale GTX. Plymouth paid \$50,000 to Warner Bros.-Seven Arts to use the Road Runner name and likeness from their Wile E. Coyote and The Road Runner cartoons as well as a "beep, beep" horn, which Plymouth paid \$10,000 to develop. The Road Runner was based on the Chrysler B platform (Belvedere and Satellite),

The earliest of the 1968 models were available only as 2-door pillared coupes (with a B-pillar between the front and rear windows), but later in the model year a 2-door "hardtop" model was offered. The Road Runner of 1968-1970 was based on the Belvedere. The 1969 model kept the same basic look, but with slight changes to the taillights and grille, side marker lights, optional bucket seats, and new Road Runner decals. A convertible was added in 1969.

The 1970 model year brought new front and rear end looks to the basic 1968 body, and it would prove to be another success. Updates included a new grille, a cloth & vinyl bench seat, hood, front fenders, quarter panels, In 1971-72, the coupe bodywork was completely changed to a more rounded "fuselage" design in keeping with then-current Chrysler styling trends, including a steeply raked windshield, hidden cowl, and deeply inset grille and headlights.

The 1973-74 models received completely new sheet metal and had more conventional squared-up front-end styling and changes to the rear that more closely resembled the four-door models than the 71-72s. The 1975 model was based on the newly restyled, more formal-looking B-body which was now called the Fury (the former full-sized Fury being called "Gran Fury").

In 1976-1980, the Road Runner name was switched to the 2-door model of the replacement for the compact A-body Valiant/Duster series. The new F platform was marketed as the Plymouth Volare and the new Road Runner became primarily a trim and graphics package.
