Celebrating 50 years of the 1967 's !!

A Special Message from Les Shelton

Thanks again to everybody who helped out with the 2017 PCCC Car show. We had 149 paid participants this year, which was the largest turnout I had seen at any of the other locally produced shows. Our show went off without a hitch thanks to the efforts of many people. The Lake Wheeler Park staff was very happy with the show and attentive to our needs. I will try to name a few of the people who helped out, but please forgive me if I miss you.

Truth is, the work for this show started in January. For handling pre-show productions, my thanks to Robert Copeland, Don Cooper, Jeff Hopp (Dash Plaques), Gary Wray (Flyers), Pat Smith and everyone who secured sponsorships. The good news was it was a record year for sponsorships. Johnny Ellis handled the trophies and O'Reilly auto parts sponsored our Best of Plaques we gave out. David Matthews and many others that passed out flyers. My carshow mentor, Ray Bader, who guided me through the process. Mark Herbert and the Parking-Marking Crew who spent 3.5 hours Friday afternoon setting things up and marking the show field.

Thanks to Pat Smith, Barry Kitchener and Chris Peedin for coordinating our breakfast and lunch meals and also to everyone who brought sides and desserts.

Thanks to Max Cooper and all the photo plaque assemblers and to Ted Korab for transporting plaque supplies and to Keith Archambault for overcoming printer issues the week before the show.

Gangster Gary Wray for announcing and keeping everyone entertained. Thanks to Jeff Hopp & the Photography Crew and to Tom Doherty and Whole Registration Team.

Thanks also to Sammy Small for arranging for and transporting the golf cart and to Larry Deal for tables and chairs. Don Copper placed our carshow road signs. Thanks to The Pink Ladies who handled the 50/50 ticket sales and to Denny Oestreich and the whole judging team. Thanks to everybody who passed out Photo Plaques. And to the Saturday Parking Crew who did a great job and to the parking team who spent directing traffic for the show and spectator parking from 8AM until 3PM. Special Thanks to Matt Whitaker and others who spent almost the whole day on the hot road. I know many of you had a busy day as you worked in multiple jobs Saturday and I thank you for that. If you see our DJ Robert Allison at any other show or out and about town, please thank him, as he insisted doing our show for free. I know I have missed some of you, and I apologize for that. But I want to say THANK YOU TO ALL. This would never happen without everyone's hard work. I also want to thank my wife Susan for putting up with me and all my carshow doings.

Les Shelton

28th Annual Made In The U.S.A Carshow Recap - Barry Kitchener

Nothing makes me prouder to be the President of PCCC than to see the success of our car show. The success is because the club members always go above and beyond what is expected. We continue to be the best attended "local" car show in eastern NC. This year created obstacles due to some unforeseen circumstances, but they were quickly overcome by other members filling the "shoes". A big shout out to LES SHELTON, this year's chair who worked diligently throughout the year to oversee all aspects to make the show a success. THANK YOU LES.

We had 149 cars that attended this year, which is down from the last few years; but sponsorships were up substantially from last year. Thank you PAT SMITH for taking charge. Final numbers are not in yet, but I look forward to making the donation to Hilltop Home our sponsor.

We will be having a wrap/review meeting in the very near future to see how we can improve upon our success. If you would like to be part of our 2018 show, please let me know.

There were many other members who took leads in different parts to make it a success. So I don't leave someone out, I just want to thank everyone in the club who contributes their time and effort.

Barry Kitchener - PCCC President

Our Charity—Hilltop Home For Children

Hilltop Home - Supporting and enriching the lives of children and their families.

Hilltop Home is a private, nonprofit, Intermediate Care Facility with a capacity to support 22 children who have severe to profound developmental disabilities and are medically fragile.

They provide a comprehensive habilitative program that includes individualized medical, therapeutic, and developmental /educational services in an intimate, homelike residential setting. The program is designed to assist children with multiple disabilities and medical fragility to reach their fullest potential.

Hilltop Home admits children, age birth through six years, who have severe/profound developmental delays. Our children typically have pronounced medical complications that require specialized, around-the-clock care by nursing staff.

Hilltop Home is dedicated to providing quality, comprehensive, individualized services to its residents. Consistent with the beliefs and principles upon which Hilltop Home was founded, these services are provided in an atmosphere that fosters a warm, close relationship with children and their families.

Visit their website at www.hilltophome.org for more information
