*Celebrating 50 years of the 1966 Chevrolets*

***A Special Message  
from David Smith***

*I cannot express how proud I am to be a part of such a great club, let alone how fortunate I am to be President of such a club.*

*You all put on such a great show on May 28<sup>th</sup> that was to me and many, many attendants the best there was. I have received emails and accolades on Facebook from so many first time participants, many expressing how they "will be back next year". I believe from walking around and talking with people that our carshow is one that people really look forward to coming to. I handed out about 75 business cards with my email and asked those people if they had anything that bothered them about the show to email me and I would make it right. Not one complaint so far and it is now Tuesday May 31st. This year we had "competition" to our show as there were many events going on, Fuquay, Wake Forest and Raleigh all had festivals and yet we had another great turn out with 186 vehicles registered and 190 paid. I had the chance to speak to a couple of the people who paid but did not register and they all said the same thing, they wanted to give to our Charity and participate in our show but did not care to be judged. One person jokingly told me it was too far to walk to the registration table. Club participation was the closest I have seen in the 4 years I have been counting. At one point early on we had a 3 way tie. I saw many cars and trucks that I had never seen at any other shows. All in all I believe we have a great show and great time doing it and again I am glad to be a part of it.*

*You should all give yourselves a pat on the back for a job well done. I would thank all of you by name but I don't think Jeff has enough space in the newsletter. SOOOO...*

***Thank you to all. Dave Smith***

### *Made In The U.S.A Carshow Recap - Ray Bader*

I want to start off with a giant thank you to everyone that worked so hard yesterday, we did it again and pulled off another great show; one more car than last year according to our treasurer, for a total of 195 paid. We seem to manage to set a new record every year.

Thanks to Lois Copeland & JoAnn Hopp for breakfast and Chris Peedin for coordinating lunch. Thanks also to everyone that brought sides and desserts.

Everything went flawlessly thanks to many people. I know I'll miss names so I won't even try to name everyone. Just know I say THANK YOU. This would never happen without everyone's hard work.

Thanks especially to Sammy Small for the golf cart to carry my aching back around. THANK YOU THANK YOU THANK YOU for making my last show as chairman another great success.

Ray
