

Celebrating 50 years of the 1968 's !!

To all PCCC Members,

A Special Message from Les Shelton

What can I say but **Thank You** to each and everyone of you. There were so many of you that worked hard to make this year's show happen, that there is no way I could start naming names without missing someone. It is the Club members working together that always make our show so great.

As far as I can tell all the participants had a great time! I certainly don't remember anybody having a complaint.

Even though it never rained, I am afraid the threat of it kept some cars at home. I have a count of 122 registered cars and 20 Club Classics at the show. Yes, I did break the only "Made in the USA Cars" rule for a **Mazda**. What can I say?? The devil had me chasing in another \$ 20. But If you saw the Chevy LS3 stuffed under the hood you had to think that it was a pretty cool "American modification" to a car.

I believe that we should still be able to make a donation of between 6 and 7k to Hilltop Home this year, which will raise our total club donation to them to over \$ 50,000.. This is something the club and all its members should be very proud of.

*Again Thank You for all the

29th Annual Made In The U.S.A Carshow - Message from our PCCC President

We have just completed our 29th Annual Made in the USA car show, and it was a resounding success. THANK YOU to Les Shelton for chairing the show again this year. So, I don't miss someone, I just want to thank everyone else in the club, who came out on Friday to set up and/or Saturday to help make the show a success. Lake Wheeler continues to be a great venue and makes our show different from all others. One of my favorite parts of the show are the thank you's we get from the drivers as they are leaving.

Mark your calendars for our 30th Annual carshow on May 25, 2019.

Our Charity—Hilltop Home For Children

Hilltop Home - Supporting and enriching the lives of children and their families.

Hilltop Home is a private, nonprofit, Intermediate Care Facility with a capacity to support 22 children who have severe to profound developmental disabilities and are medically fragile. They provide a comprehensive habilitative program that includes individualized medical, therapeutic, and developmental /educational services in an intimate, homelike residential setting. The program is designed to assist children with multiple disabilities and medical fragility to reach their fullest potential.

Hilltop Home admits children, age birth through six years, who have severe/profound developmental delays. Our children typically have pronounced medical complications that require specialized, around-the-clock care by nursing staff.

Hilltop Home is dedicated to providing quality, comprehensive, individualized services to its residents. Consistent with the beliefs and principles upon which Hilltop Home was founded, these services are provided in an atmosphere that fosters a warm, close relationship with children and their families.
