of the 1969's !!*

A Special Message from Les Shelton

Well we did it!!! We wrapped up another car show on May 25, and with it being the 30th show! I think we are getting pretty good at it.

What can I say but "Thank You" to each and everyone of you. There were so many of you that worked hard to make this year's show happen, there is no way I could start naming names without missing someone. It is the PCCC Club Members working together that always make our show so great. I hear that message from our show participants, how they love our show and love the Lake Wheeler location.

We had 152 registered cars, and 25 of our PCCC Club Classics at the show. The 50/50 raffle took in \$1,240, of which \$620 will go to Hilltop home.

David Hopson & Son, with the Crushing Cancer mini truck, gave a donation to Hilltop Home. Even though we were not threatened by rain this year, the temperature being in the 90's on Friday and Saturday did test us. Looks Like 150 to 160 cars is a good fit for the space we have at Lake Wheeler and has given me some idea for next year's show.

I think that we should still be able to make a donation of about \$7500 to Hilltop Home this year, which will raise our total club donation to about \$61,500. This is something the club and all its members should be very proud of. Again, Thank You for all for the Help.

30th Annual Made In The U.S.A Carshow - Message From Our PCCC President

As a member of the best car club I know I am proud of the show we put on every year. As President of this great club I am overwhelmed by the hard work, planning and dedication that all members put into our show. When judging and wandering about yesterday I had a chance to talk to a lot of people about their cars and other things, but what came up the most was how almost every participant felt so welcomed as if they were part of our club family. How they look forward to this show every year because even if they don't win they always have a good time. That is a testimonial to the members who talk to the people as if they were family and friends. I would really like to give Les a raise for his outstanding work on the show, but Hilltop needs it more. Again thanks to everyone for the help in making this another great show for PCCC and the Hilltop Home. I am so happy to be a part of all of this with you all.

Our Charity—Hilltop Home For Children

*Hilltop Home - Supporting and
enriching the lives of children and
their families.*

Hilltop Home is a private, nonprofit, Intermediate Care Facility with a capacity to support 22 children who have severe to profound developmental disabilities and are medically fragile. They provide a comprehensive habilitative program that includes individualized medical, therapeutic, and developmental /educational services in an intimate, homelike residential setting. The program is designed to assist children with multiple disabilities and medical fragility to reach their fullest potential.

Hilltop Home admits children, age birth through six years, who have severe/profound developmental delays. Our children typically have pronounced medical complications that require specialized, around-the-clock care by nursing staff.

Hilltop Home is dedicated to providing quality, comprehensive, individualized services to its residents. Consistent with the beliefs and principles upon which Hilltop Home was founded, these services are provided in an atmosphere that fosters a warm, close relationship with children and their families.
