*A Special Message from Les Shelton*

*Celebrating 50 years  
of the 1972's!!*

*Thank You, Thank You, Thank You* to all the members who helped with the 2022 PCCC Car Show.

There were so many members who helped with our car show that there is no way I could name you all.

From passing out flyers, to obtaining sponsorships, the crew that came out the day before to set up and all the members that showed up at 6AM the day of the show, ready to work and stayed to pack up after the show.

Even though the wet week kept us from using most of the track infield, I have to say that our car show was a big success. Even without using most of the infield we placed 120+ paid participants and 40+ member cars on display inside the track, and we still had room for more on the track and in the top pit area.

Our vendors were all very happy with their sales and they are all ready to come back again next year. Scotty's BBQ apologized for the long wait. One his workers decided to call off, and at one point there was a gas leak with their equipment that had to be addressed.

I would say we had a good turn out considering we had more competition from other shows and the cost of gas may have kept some from traveling as far. We should have a good donation for Hilltop Home for Children.

Again, Thank You to all who helped

### *32nd Annual Made In The U.S.A Carshow - Message From David Smith*

Well the club members did a fantastic job again on our car show. I think God knows that we have a great charity, so he blessed us with perfect weather. Les has done a great job again, (5 in a row!)

There are some big shoes to fill as this is Les Shelton's last year. I want to thank everyone for making this years show a great one. 105 cars registered and I was told 120 paid, and 40 club cars on display.

A big thanks to all who got sponsors or were sponsors themselves. Sponsorships hit a new record breaking last years. Bob Wagner stepped up and did a great job as Emcee. I also want to thank Mike McKay for his generosity, he not only got the Pink Ladies award but also the 50/50 of \$655.00 of which he immediately donated back to Hilltop.

Again I want to thank you for the great Show and support of Piedmont Classic Chevy Club. Any volunteer for Car Show Chairman?  
David Smith
