

### *A Special Message from Our PCCC President*

I can't help but praise this car club. Faced with 90% chance of rain, 4 other car shows competing with us and together we pulled off a great and fun show. The weather played a great part in keeping people away but we still had 56 paid participants and 52 that registered. We also had 26 members drove their classics.

I just want to say a big THANK YOU to everyone who showed up for set up Friday afternoon, (the fastest time ever to set up) all the people who took on the responsibilities of parking, photography, breakfast, clean up of the entire area, but a very special thanks to the whole club for staying afterwards to help tear down and load the trailer. I think we set a record getting out of the show. I could not believe it.

So as your President, I couldn't be more thankful for every single one of you. Thank the Lord for good weather and thank the Midway Baptist church for having us.

*David M. Smith  
President of the Piedmont Classic Chevy Club*

*Our Charity—Hilltop Home For Children*

Hilltop Home is a private, nonprofit, Intermediate Care Facility (ICF) with a capacity to support 22 children who have severe to profound developmental disabilities and are medically fragile. We provide a comprehensive habilitative program that includes individualized medical, therapeutic, and developmental/educational services in an intimate, homelike residential setting. The program is designed to assist children with multiple disabilities and medical fragility to reach their fullest potential.

*A Special Message Les Shelton*

Even though the threat of rain kept the car count low, 56 registered cars, we had 26 members drive their classics for a total of 82 cars. Like always the PCCC members pull together and put on a great show. As a member of the car show committee I want to thank David Smith for heading up the committee and taking care of tons of details.

I want thank everyone that came out Friday to set up and everyone that drove their cars Saturday and helped with the show.

To all I say job well done!!!

Les Shelton  
PCCC Car Show Committee
