

### *A Special Message from Our PCCC President—David Smith*

I really want to thank all members of PCCC for an outstanding push in donations, door prizes and a fantastic show.

We broke 3 records on May 24 2025,

*The highest amount of Sponsorships—over \$20,000*

*The most paid participants - 203*

*The most club cars - 52*

I can't express how proud I am to be a part of the best car club in North Carolina.

If I was to thank all the people that made this show the best ever, the newsletter would be 20 pages long. So I will just thank the entire club.

I would however personally send a huge thank you to John DeYoung, Les Shelton, David Peedin and Dwayne Hudson for all that they did to help me when I couldn't get around to doing my chores. I was specifically told to just sit and bark orders! Anyone that knows me knows that is not a possibility and thanks to David Matthews who brought me his scooter I was able to ride around and bark orders.

All was not 100% without hiccups however, we did have one person fall and hit his eye. We almost ran out of parking spaces, and I think I pissed off a couple of members and I apologize for that, I will do better moving forward. So the Car Show Committee will have to sit down and rearrange things to make next year a bigger and better show.

I have heard no negative reactions to the show except one gentleman came up to me after the 50/50 was drawn and said he enjoyed the entire show until he didn't win the 50/50.

(He was kidding of course).

I am sure that after show expenses Hilltop Home is going to very pleased with our 2025 Donation. I want to invite as many people to join us when we present this years donation and visit to Hilltop Home you will not be disappointed.

Again thank you to everyone for making the 2025 Made in the USA Car Show a record.

David M. Smith

President of the Piedmont Classic Chevy Club

*Our Charity—Hilltop Home For Children*

Hilltop Home is a private, nonprofit, Intermediate Care Facility (ICF) with a capacity to support 22 children who have severe to profound developmental disabilities and are medically fragile. We provide a comprehensive habilitative program that includes individualized medical, therapeutic, and developmental/educational services in an intimate, homelike residential setting. The program is designed to assist children with multiple disabilities and medical fragility to reach their fullest potential.

*Special Message from Les Shelton*

Wow what a Car Show!!! Have to say the move back to the Holiday weekend and Mojo's along with great weather was the perfect combination.

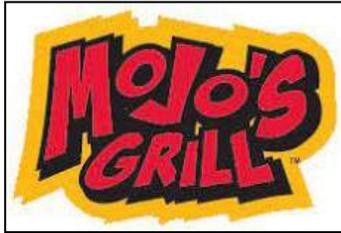

Just want to thank David & Pat Smith, John DeYoung, and all the PCCC Members that came out Friday and Saturday and work the show. We had the best turnout in years. 198 paid cars and 52 members cars. For a total 250 cars!

The Pink Lady's out did themselves and the winner of the 50/50 took home \$800. Pat Smith's sponsorship campaign raised over \$20,000, that with the registrations should have us with a gross total before expenses in the mid 20's. I was surprised at the amount of door prizes raised as most of my sources had dried up. I heard Debbie Archambault had a big hand in getting door prizes. Thanks to my crew that built over 225 plaques at the show.

Thanks again to everyone that helped with the Car Show. It's the great members in PCCC that make our car show possible.

Les Shelton  
PCCC Car Show Committee
