

*A Special Message from Our PCCC President—David Smith*

Well done everyone. Even having to utilize our rain date I have to say this year's show was a success.

Sponsors totaled over \$17,000 and with the \$539 50/50 and the participation \$ we are close to \$20,000.

Of course that is before expenses which were, like everything else, a little more than last year. The door prizes were unbelievable this year, I heard so many positive comments about the show and the door prizes.

Suggestions were made from club members for some changes which we will discuss at the June meeting.

I want to thank every person who made this year's show a success but I don't think I can remember and send emails to everyone. You all did a fantastic job! So the 2026 show is behind us and looking forward to 2027 Show.

Thank you all again.

*Special Message from John DeYoung*

I want to express my sincere gratitude to all members of my parking crew and those who participated in our car show. The Friday night setup crew did an exceptional job with the tents, and the Saturday morning setup, as well as the entire show, ran smoothly. We had a fantastic turnout and beautiful weather. We had both returning and new show attendees. I want to thank you all for staying the entire day and assisting with breaking down the tents and packing the trailer.

I hope we can continue to work together as a club and enjoy all the events throughout the rest of the year.

Sincerely your Vice President  
John DeYoung
